Tariff Certification Order

Ordering provision 12 of the Commission's July 24, 2014 Phase Two Decision [*Decision*]: a) authorizes and directs the undersigned to certify that CUC tariff sheets reflect the non-rate revenue fee adjustments [*adjustments*] authorized in ordering provisions 10 and 11 of the Decision¹; and b) provides that the adjustments shall become effective on the day after their certification.

In anticipation of the issuance of a decision, on July 23, 2014 CUC filed tariff sheets for review and certification. On July 31, 2014, Georgetown reported that it had reviewed and had no issue with regard to the tariff sheets, which are made *Attachment A*².

After careful review of these filings, pursuant to the authority delegated by the Decision and for good cause shown, the undersigned **HEREBY FINDS, ORDERS AND CERTIFIES THAT:**

1. The adjustments set forth in Attachment A, which were approved in ordering provisions 10 and 11 are accurate and correct and shall become effective as of August 3, 2014.
2. This order narrowly focuses on the certification of the adjustments. No comment is made regarding the CUC rules, which are referenced in the tariff sheets.
