APPLICATION REQUIREMENTS AND EXPECTATIONS FOR APPLICANT:

First, fill out an application form and submit to Human Resources on or before the close of business at 4:30 p.m. local time, unless notification is provided otherwise. Tinian and Rota applicants are to submit their application to the CUC Tinian Administration Office and CUC Rota Administration Office. Should the Human Resource Office be temporarily closed, applicants on Saipan may also submit their application to the Executive Director's Office.

Second, if you are not a current CUC employee, submit an original police clearance (also called a criminal record clearance) to Human Resources (or the respective administrative office). Human Resources is only interested in viewing an original. CUC will inspect the original, make a copy, and return the document to the applicant.

Copies of a police clearance may be accepted during the application process. However, the original is to be provided no later than the first three (3) workdays of employment. Employment may be rescinded or terminated without cause if this requirement is not fulfilled. An employment contract renewal may be disapproved if this requirement is not fulfilled.

Police clearances shall be from the applicant's place(s) of residence in the most recent twelve (12) month period preceding the application submission. Applicants are expected to make a best effort to make such submission. Failure to submit a valid police clearance shall be grounds for disqualification.

If the applicant cannot provide an original verification from all places of residence in the last 12 months, a notarized affidavit certifying the existence or non-existence of a conviction may be accepted as an alternative.

If selected and offered intent to employ, applicant may be required to obtain a federal criminal record clearance from the U.S. District Court for the Northern Mariana Islands. Depending on what may appear on the clearance and applicant's response, intent to employ may be withdrawn.

Police clearances are valid for a year from the date they are issued, not a year from the date of employment application submission

Third, unless CUC already has verification, submit verification of education. For the highest education level achieved or for the applicable education requirement of the vacancy, any "one" of the following is needed: (1) show the "original" diploma or degree to the Human Resource Office where a copy will be made and the original will be immediately returned, (2) show Human Resources an "original" certification letter from the school registrar verifying graduation and a copy will be made and the original immediately returned, or (3) send or provide Human Resources an official, sealed transcript from the school.

Copies of an original degree, diploma, and certification letter may be accepted during the application process. However, the original must be provided no later than the first three (3) workdays of employment. Employment could always be rescinded or terminated without cause if such requirement is not fulfilled. An employment contract renewal may be disapproved if such requirement is not fulfilled.

Fourth, take note that CUC may re-evaluate hiring needs at any time. Should a vacancy be determined to no longer be necessary or should an alternative to filling a certain vacancy announcement be determined, CUC may close any vacancy without selection.

Fifth, the Commonwealth Utilities Corporation is an equal opportunity provider and employer and will not discriminate or tolerate discrimination

against any employee or applicant in any manner prohibited by law.

Form 1-9 CNMI:

The United States government requires the filling out of the Form 1-9 CNMI to verify eligibility to work in the U.S. All CUC employees must be authorized to work in the U.S. or specifically the Northern Mariana Islands, a U.S. commonwealth. Any potential employee requiring an employer petition or sponsorship must secure all required United States government and Northern Mariana Islands government documents before starting employment.

CUC does not discriminate in the filling out of a Form I-9 CNMI. If CUC asks questions about a document being provided to verify employment authorization, it will be for clarification and verification purposes. A document that does not easily or readily appear to CUC as an original document may be questioned by CUC. Copies will not be accepted as originals.

Copies of original documents will be made for each employee completing the Form I-9 CNMI.

Application Instructions:

Please type or print neatly using a ballpoint pen, blue ink is preferred.

Make all responses clear and legible. Answer all questions completely and accurately.

Read and sign the certification at the end of the application form.

Not following instructions may reduce or eliminate your opportunity to compete.

You are encouraged to provide a resume with this application. You are still expected to complete Section No. 21 on "Previous Positions", however.

We ask that you initial and date the footer of each page of the application.

Please submit a separate application per job vacancy announcement (JVA) interested in.
