

Issued February 5, 2014
Effective April 17, 2014

Commonwealth Utilities Corporation
Schedule R
Residential Service

Applicable to single phase residential lighting, heating, cooking, air conditioning and power in a single family dwelling unit metered and billed separately by the CUC. This schedule does not apply where residence and business are combined. Where premises are used for both residential and commercial purposes, the service shall be billed as commercial service. If the area of residential use and commercial use is clearly defined, then the residential area may be served under the residential rate if a separate meter is installed.
