REQUEST FOR PROPOSALS

CUC-RFP-25-021

Independent Power Producer-Solar Photovoltaic with Battery Energy Storage System (BESS)
for all Islands, CNMI

Question (RFI/C) No. 019: AP Group

Date: September 26, 2025

CUC provides the following responses to the Request for Information/Clarification (RFI/C):

1. Please note that the RFP contains two conflicting submission dates. The table on page 4 of the RFP states that submissions are due by 5 PM on 9/26/2025. However, the Exhibit under section 3: Proposal Checklist indicates the deadline is 9/11/2025. Please clarify, which is the applicable date.

CUC RESPONSE: The correct deadline for submission of Proponents' Questions (RFI) is September 26, 2025, as indicated in Table 1.6 of the RFP. The correct registration deadline is "prior to 5:00 pm on September 26, 2025," as indicated in Table 1.6 of the RFP. The September 11, 2025 date listed in Appendix A, Section 3: Proposal Submittal Checklist is a typo.

KEVIN O. WATSON, MPA
Executive Director
Commonwealth Utilities Corporation
